Memo No : RRGU/37/2024

Date : 04/09/2024

## Special Training Program for the NET and SET Examinations and Seminar Related to Placement Opportunities

Rani Rashmoni Green University is pleased to announce a special training program at FREE of cost for the NET and SET examinations, aimed at both current and graduated students, prompted by recent changes in the patterns of these examinations. We believe this initiative will be beneficial for the preparation of our students.

Additionally, we are organizing a seminar focused on placement opportunities. Invitations have already been sent to several experts in this field, and we will notify the students once the date is confirmed.

We wish you all an enriching and successful experience at Rani Rashmoni Green University!

Prof. Ashutosh Ghosh
